Case NO. 17-CV-191-JDP

Motion for counsel

I am writing this motion to request a lawyer be appointed to assist me in my case. I am too limited to litigate this case by my self. I can't get addresses, I'm having unsuccessful communication with defence. In the middle of all of this I had surgery do to the injuries I sustained from this case, Jan 2, 2018.

I ask the court to please consider appointing Mr. Byrd counsel on this case.

Dated 2/26/18

Respectfully,
Lewis Byrd
